

NobleKing Minor Hockey Association Pre-Season Camps

Welcome to the NobleKing Hockey Camps!

For the 2009/2010 hockey season, the NobleKing Minor Hockey Association will be introducing development camps throughout the season. Our goal is to offer the opportunity for skill improvement for all players that are interested at key times of the year when the association has excess contracted ice.

The first camps will be preseason camps. These camps will focus on skating and individual skills. The preseason program is sure to be a great kickoff to a successful hockey season!

All sessions are open to Rep and Local League players. It is recommended that players register in advance as spaces are limited and priority will be given to those that register in advance versus at the rink.

Watch for other development sessions to be held throughout the year. The plan is to have hold similar sessions during Christmas and March break.
